

## **NEIGHBOURHOOD CONSULTATION EVENING:**

**5.00 – 7.00PM, WEDNESDAY 30 OCTOBER, 2019 GREAT HALL, ST. OLAVE'S GRAMMAR SCHOOL**

You may be aware that the Thirdsden Scout Hut on Goddington Lane has unfortunately been lying vacant for a number of years and is now quite dilapidated. Working together, the Scouts and St. Olave's Grammar School are planning to renovate the existing building and return it to its original purpose of housing the 3rd Orpington Scouts, Cubs and Beavers. St. Olave's will make good use of the building during the school day and after school hours for educational and co-curricular activities. We also hope that the local community will want to use it for social, artistic and learning purposes, as they have done in the past.

We have engaged the architect, Takero Shimazaki of t-sa.co.uk, to develop ideas as to how the Scout Hut can be restored to use in a creative and sustainable way and are now ready to invite local residents to look at his designs and seek your views on how this building can be used.

### **Information and Consultation Event**

We invite you to attend a meeting with representatives of the School, Scouts and the Architects in the Great Hall at St. Olave's on Wednesday 30 October 2019. There will be an opportunity to meet the team working on the project and to look at designs from 5.00pm and a presentation from the stage at 6.00pm. We invite questions, comments and ideas from local residents either at the meeting or beforehand. If you are not able to attend, you could also look at the information from the evening which will be posted on this website on Friday 1 November. You could also write or email your response.

We welcome the involvement of local residents and hope not only that you see this as a step in the right direction but also that you will be able to use the renovated Thirdsden yourself at some time in the future.
