

ST OLAVE'S MUSIC DEPARTMENT

Online instrumental/vocal tuition consent form

Context

The safety of our students and other members of our community at all times is of the utmost importance. In response to the challenges posed by the COVID-19 pandemic, it is the Music Department's aim to provide opportunities for students to access as much of the normal curricular and co-curricular programmes as can be delivered safely and to the usual high standards. Online platforms, such as Microsoft Teams and Zoom, have offered means by which high-impact learning can continue to take place while face-to-face teaching is disrupted.
