

As part of our #WakeUp campaign, we have created a free guide for parents & carers to raise awareness about 'online grooming'. Every child is at risk and we need trusted adults to be able to spot the signs before it's too late.

More than 3,000 offences of grooming children online for sex have been committed by paedophiles since a new law on sexual communication was introduced in April 2017. This free guide for parents & carers covers what they need to know to help safeguard their children from being groomed online, including warning signs they should look out for and more.

Please help us spread the message by retweeting our Online Grooming guide for parents & carers here: <https://twitter.com/natonlinesafety/status/1047458983248887808>

For more information regarding our NOS Certified School Community package, developed in line with the new 2018 DfE Statutory Guidance, 'Keeping Children Safe in Education', please complete the form here: <https://nationalonlinesafety.com/online-safety-certified-schools-accreditation/>
