

SUMMER SCHOOL

FOR NEW YEAR 7S JOINING US IN SEPTEMBER 2021

23 - 27 August 2021, 10 am - 2 pm.

Following the Government's initiative to support pupils to catch up on lost learning caused by the pandemic, St. Olave's Grammar School is delighted to welcome our incoming Year 7 cohort to our **SUMMER SCHOOL to be held: 23 - 27 August 2021, 10 am - 2 pm.**

The programme will be varied, interesting, fun and challenging. Team building activities with pupils in form groups will take place daily. Alongside this there will be lessons in English, Maths, Science, Art, Classics and PE.

Whilst not compulsory, our new Year 7s are encouraged to attend, as the benefits will ease transition to this next phase of their education and support their social development and wellbeing.

Please see the letter you will have been sent from Mrs Maxwell, Assistant Headteacher for further details.
