

01 January 2021

Dear Parent, Carer, or Student,

Considering the Government announcement yesterday that Year 11 and Year 13 students would return to school on Monday 11 January the start of the mock exams will therefore be delayed. Year 11 will begin mocks on Monday 11 January, with the Art NEA catch up moved to the end of the Year 11 mock period. The Year 13 mock exams will begin on Wednesday 20 January. Revised timetables will be circulated next week.

We will try to maintain the same order of mock exams so that this does not impact the revision timetables and planning students will have undertaken.

I wish you and your families a safe and happy new year.

Yours sincerely,

Dr. A. Sidhu

Assistant Headteacher
