

DJB/AB 25 March 2021

Dear Parents/Carers and Students

St. Olave's Environmental Society would like to offer you the opportunity to purchase school branded, reusable water bottles for the price of £3.50. The bottles will be available in the four St. Olave's house colours and help to alleviate the issue of plastic waste and litter around the school.

As a result of the work of Environmental Society and through initiatives such as this, the School has been able to hugely reduce its environmental impact. All money raised from this sale will help to further worthy environmental causes within the School.

If you wish to purchase a water bottle, payment should be made by our on-line system, sQuid. Should you experience any problems connected with the on-line system, please do not hesitate to contact the Finance Department by email [financeoffice@saintolaves.net](mailto:financeoffice@saintolaves.net), and they will assist you with your query. All those who place orders will be advised of a risk mitigated collection option for the bottles in due course.

Yours sincerely

Mr D J Budds  
Deputy Headteacher
