Dear Pupils, Parents and Carers

On Friday afternoon of last week, JCQ (the Joint Council for Qualifications) released guidance for Students and Parents on Summer 2021 qualifications. I thought it important to share this with you as soon as possible. The guidance can be found at this [link](#).

Please anticipate further guidance from the school regarding the planned assessment series next term and about the process more broadly in due course. We are currently considering the updated guidance for schools circulated on Friday and what it means in terms of the overall process at St Olave's. Please be assured, the school is committed to transparency and fairness for all pupils scheduled to take qualifications this summer.

Yours sincerely

Mr D J Budds
Deputy Headteacher
