

23 September 2020

Dear Parents/Carers, Students, Staff, Governors,

At this time of year we would usually be asking for donations for the Harvest collection, sadly this is not possible this year because of the Covid restrictions. You are probably aware that the need is actually much greater this year with several hundred thousand extra people now accessing foodbanks to simply survive because of Covid. Even though we cannot collect here you can still contribute. Many supermarkets are collecting for the foodbanks, with instore collection points, allowing you to buy extra and donate it. You can also take your own contribution to the foodbank should you so wish. If you are happy to drop off food donations, please take them to the warehouse:

Ex Adventure Kingdom Building

Stockwell Close

Bromley

BR1 3UH

Open Monday, Tuesday and Thursday 8am – 11.30am

Alternatively, we have collection boxes at the following supermarkets:

Waitrose – Green Street Green

Sainsburys – Orpington, Locksbottom, Petts Wood, West Wickham (Station Road), Chislehurst

Tesco – Orpington, Bromley

The Bromley Warehouse (Stockwell Close) is now available to accept donations from 8am – 11.30am Monday, Tuesday and Thursdays.
