

12th November 2020

Dear Parents \ Carers

St Olave's Parents' Association have resumed the sale of Mock Test Practice papers.

Papers are now being posted via 1st class post (UK only) and can be ordered via our website until Wednesday 18th November.

Whilst due to COVID-19 restrictions, we are not able to conduct Mock Tests in 2020, the papers have been designed to give students a flavour and feel of the real Selective Eligibility Test (SET) and we would highly recommend that aspirants refer to these prior to their exam.

Kind Regards

St Olave's Parents' Association
