Dear Parents and Carers

Teen Tips – Wellbeing Hub

School very much wishes to support the wellbeing of our school community and one way of us doing this has been to purchase access to the Wellbeing Hub from Teen Tips. I know some parents have signed up to this however I thought I would highlight the following to help parents engage further with this facility. This is a resource which students and staff also can access. Mr Rees regularly mentions what is available from Teen Tips in his Newsletter.

The Wellbeing Hub is a **Web App**. Once you have registered, you can access The Wellbeing Hub when you need it, from your mobile phone.

[How To Add Us To Your Phone Homescreen \(teentips.co.uk\)](https://teentips.co.uk)

Alicia has created a short video tour of the Parents' Hub, illustrating what it has to offer.

[Wellbeing Hub Tour for Parents on Vimeo](https://vimeo.com/581111111)

There is a guide about the Hub which you can access.

I hope this is a helpful summary. If you have any questions, please get in touch. Further information is available through our website.

Yours faithfully

Rochelle Maxwell
Assistant Headteacher
