**Re: equipment for curriculum Music lessons**

Dear parent/carer

While procedures are in place to minimise the sharing of school equipment, students who have Music on their timetables have been asked to bring in their own pair of earphones or headphones for use during these lessons. These measures are set to remain in place for the foreseeable future, so the Music Department is renewing its call for all students of the subject to bring to school a compatible set for their personal use.

Any type of earphones with the 3.5mm jack will operate with the equipment here at school. It is not our intention that families will incur additional costs, as these devices were previously included as standard with most purchases of mobile phones. Ideally, any set brought to school will be inexpensive, readily stowable and labelled with the student's name, so that the owner of any lost property can easily be identified.

We hope that you will support us in our efforts to keep everyone as safe as possible. My best wishes go to everyone for an enjoyable Christmas holiday.

Yours faithfully

Mr M Price  
Director of Music
