

The Revd. George M. Rogers

I am very happy to have been appointed as a foundation governor at St Olave's and look forward to getting more involved in the life of the school. I am presently the Vicar of All Saints' Orpington. I have lived in the US, the UK and Canada.

I am a graduate of Yale and I have been a priest for twenty-one years. I used to enjoy riding, ice hockey and squash, but prefer running these days to keep fit. Reading is also a passion—philosophy, Ruth Rendell novels and psychoanalytical works, as well as perusing varieties of maps. I also enjoy playing classical guitar.

I most recently served as the Vicar of the Benefice of Milton Regis with Murston, Bapchild and Tonge, in the Diocese of Canterbury.

During my tenure, I served as a foundation governor at Bapchild and Tonge Church of England primary school as well as Sunnybank primary school. I also served as chaplain to the Air Cadets, to the Sea Cadets, to the Rugby club and at Canterbury cathedral. My wife Dr Yun Lee Too is a Cambridge educated classicist who has taught at Cambridge, Liverpool, Columbia and Royal Holloway. She has published widely on various Greek and Latin topics. Yun Lee has also taught courses and led workshops in the London and New York and on Christian hospitality, has led scholarly Bible studies; looking at the ancient roots and meanings of words in Biblical texts and has been on a team in the diocese of Canterbury teaching the "Deepening Discipleship" course. She enjoys the worship and fellowship at All Saints' as well as being closer to the library of the Institute for Classical Studies in London. We are both foodies who enjoy dinner parties as well as the fine wine that goes with it. Theatre and concerts are also favourite activities.
