

CAREERS NEWS

I would like to welcome you all to the new academic year 2021-2022. My name is Mrs Mato and excited to announce my new role at Saint Olaves Grammar School. I am the allocated Careers Advisor/Careers Leader. I am in the main school library where I am easily accessible and have an open-door policy. I am passionate about helping to support our pupils reach their aspirations.

Your child is entitled to one-to-one careers information, advice and guidance that is impartial, encouraging them to make informed decisions about their future career choices, exploring their options to make an informed choice, they can come along and speak to myself, or arrange an appointment via their tutor. Alternatively, the students can contact me via email on: jmato@saintolaves.net

Important Career Events

Our first Careers Event will take place on **Monday 13th September 2021**. **Life Skills, Barclays** will be an exciting workshop in the Great Hall for our year 12 students. This session will focus on the concept of personal values, and in particular accountability, respect, understanding, perseverance, courage and collaboration-all the skills that are required to shape them for general life skills.

Year 13 students working to the early deadline (for Oxbridge and Medical courses) will submit their UCAS applications.

September 2021, Year 7 Unifrog launch: Unifrog is a platform that we use to manage the progression process of our pupils effectively. Unifrog is a one stop shop where your child can easily explore their interests.
