

## CAREERS NEWS

---

Morrisby interviews begin next week for those Year 10s who are taking part in the profiling process. Their interviews will take place via zoom during school time with Mrs Sally East, our Morrisby consultant. Students can prepare for their interview by following the guidance sent out from Morrisby. Information about career paths leading from school subjects can be found on Unifrog at <https://www.unifrog.org/>

---

PwC UK careers has established a virtual classroom where students in years 10 to 13 and their parents can engage in events after school. Students will have the chance to meet with a range of PwC ambassadors through the interactive live sessions, whilst also having the flexibility to watch and listen to the recorded sessions at a time best suited to them each week. On 11 May at 4.30pm the topic is resilience and building skills for a changing world and on 13 May at 6pm there is a session for parents about supporting young people in the changing world of work. More information and bookings can be found at: <https://www.pwc.co.uk/careers/student-careers/school-careers/virtual-classroom.html>

---

Year 12 students interested in law careers in the corporate world may wish to find out about Slaughter & May's 2021 Excellerators Programme. This is a one week virtual work experience scheme that offers an insight into a corporate environment. It is designed to help Year 12 students gain essential employability skills through interactive workshops, hands-on tasks and networking with legal sector professionals. To apply use the pdf posted on Moodle under Careers.

Pathways to Property are hosting two webinar events on 6 and 13 May. On 6 May they will be joined by SEGRO, a leading property firm who will talk about their business and the roles within it and on 13 May the session discusses the key skills needed to work in the property industry and how to best present yourselves to future employers. To find out more about Pathways to Property and their events, visit the website at <https://www.henley.ac.uk/research/academic-areas/real-estate-and-planning/rref/pathways-to-property>

InvestIN offers immersive work experience in a wide variety of careers and these have been popular with our students this year. We are partnered with InvestIN and consequently students have access to a discount on the events plus bursaries are available for a few eligible students. In-person weekend programmes are available in June and full details are shown on the website at: <https://investin.org/> There are some virtual events too. For 10% discount use the code STOLAVES2019 and bursaries for the online summer internships and in-person London events open on 4 May.
